

**Child and Adult Care Food Program  
Parent Information Letter  
Early Learning Center at Crossroads**

Dear Parents:

Our center does not charge separately for meals because it participates in the U.S. Department of Agriculture’s (USDA) Child and Adult Care Food Program (CACFP). This program pays centers for nutritious meals served to all children while in care.

**How much does the center receive in payment for meals served to my child while in care?**

The amount of payment received is based on the income status of the families in our center. We receive a higher payment for those families that are low-income.

**How do you determine the income status of my family?**

The information you provide on the enclosed Enrollment/Income-Eligibility Application determines the income status and payment level.

**I’m not sure if my family income qualifies. How do I decide?**

If your gross income (before deductions) is the same as or less than the amount on the line for your family size on the income guidelines table below, the center is eligible for the higher payment for your child(ren). When self-employed, net income may be reported. Please complete and return the Enrollment/Income-Eligibility Application to our office as soon as possible.

**If I receive payment from DSHS for child care, should I complete these forms?**

Yes. DSHS payments for child care do not qualify a family for the higher payment.

**If my household income is greater than the income guidelines for reduced-price meals, or if I choose not to report my income, what should I do?**

You should complete Parts 1 and 5 and may write “above-scale” in Part 4.

**If I choose not to report my household income, do I still need to return the Enrollment/Income-Eligibility Application?**

Yes. If you choose not to fill out the income portion of the Enrollment/Income Eligibility Application (E/IEA), you must still complete Part I, the “Children’s Information” section, and Part 5. Federal regulations require that all child care centers collect information on the normal days and hours child(ren) are expected to be in care and the expected meals to be received.

**Is there another way for the center to receive the higher payment other than using my family income?**

Yes. Your child(ren) may be eligible for the higher payment based on one of the following:

1. You receive Basic Food, Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) for any member of your household.
2. Your child is a foster child.

**If a household member currently receives benefits from one of these programs, or I believe my family income would qualify my child, what should I do?**

Complete the attached Enrollment/Income-Eligibility Application, following the directions on the form. There is a separate section for each way your child may qualify.

**Will this information be kept confidential?**

Yes. The information will be made available only to a limited number of our staff or employees of the Office of Superintendent of Public Instruction, U.S. Department of Agriculture, or the U.S. General Accounting Office when they are reviewing our program.

**Will the center make menu substitutions for my child?**

If your child has been determined by a doctor to be disabled, and the disability would prevent the child from eating the regular meals at the center, we will make any substitutions prescribed by the doctor at no extra charge.

**What do I need to bring to the center if my child needs menu substitutions?**

You must bring the doctor’s note that prescribes the alternative foods needed and verifies special meals are needed due to the disability.

**Whom should I contact if I have any questions?**

Contact our office at [360-757-4200](tel:360-757-4200).

Thank you for helping us provide healthy meals for your child.

Sincerely,

Crystal Natland
